Produced by 14th Ave Productions LLC, 3Arts Entertainment, Dandridge Entertainment and ACK Productions, a newly released DVD and CD for Comedian Artie Lange is now available which features original music written and composed by Re-Surch. A music video for the song (What's the Name, Artie Lange) is also in post-development.

After his appearance at "The Joint" in the "Hard Rock" Vegas to a sold-out crowd of 5000 this past June, where he opened for Artie Lange, Re-Surch's his fan-base has not only increased but his cross-over fan-base has multiplied to include Long-shoremen and Truck-Drivers as opposed to the mass of College Students he typically entertains.

Not only has Re-Surch performed to sold-out shows - festivals and concerts across the country for show-stoppers like Raekwon - The Ying Yang Twins - Das EFX - AZ - ILL BILL - AKROBATIC and more, he continues to Open for his new found friend Artie Lange at select large Comedy events in NY - NJ - NV - CA and more. Not to mention in his Hometown Boston Mass.

AT THIS MOMENT; Re-Surch is on a quest to visit as many Colleges and Universities, first on the East Coast. To-Date he's performed an average of 3-Times a week at Frats and Sororities for the past 8-Months. The Kicker, he's doing it as a "Public Service" to his fellow College Student FREE. (Email his manager to schedule a performance: jcd@jcdandridge.com - www.jcdandridge.com) Increased tuition fees won't put a damper in your fun! You provide the Refreshments!

He was the "2nd Black Intern" for the Howard Stern Show and a featured weekly guest-host on SIRIUS Howards Sterns "The Intern Show". He's written and licensed original music for Howard TV's "Show in the Hallway" and for Howard Stern himself. He's also written a film-score in a soon to be announced Feature Film to be directed by Bill Parker who produced Tupac's Resurrection. Re-Surch is a rising Star who puts allot into every performance and whose stage presence has been compared to LL Cool J. His current album: "ALCOHOLIC COLLEGE KIDZ" is available on iTunes and he's coming to a House Party near you.
